# CHEZ CÉLINE

## Chez Celine

Nestled in the heart of Vancouver's Fraserhood, Chez Céline is a restaurant by three key members of one-Michelin-star St. Lawrence Restaurant. Chez Céline welcomes its guests with the edgy charm of Montréal, the effortless elegance of Paris, and the communal warmth of Québec's casse-croûtes. This kitchen of honest cuisine gears its menu toward fun dining, not fine dining—simple, soulful dishes leaning into a generous sense of *joie de vivre*—while the adventurously curated beverage program juxtaposes wines that feel alive on the palate with unapologetically unfussy cocktails. Chez Céline is a true neighbourhood restaurant in every sense of the word, where memories are waiting to happen.
