Yuk Yuks Comedy Club

We take your laughter seriously! Every comic and event are rigorously vetted to ensure the highest quality in entertainment value.

Founded in a community center basement in Toronto, the club quickly expanded and is now an international business with multiple locations and tours across Canada.

In the tradition of early clubs, Yuk Yuk's maintains a standard of edgy and uncensored humor. It features a mix of established headliners and new amateur talent.

Many famous Canadian comedians, including Howie Mandel, Jim Carrey, Norm Macdonald, and Russell Peters, started out performing on the Yuk Yuk's stage.
