Arts Club Theatre

We are scrappy, ingenious trailblazers who create powerful, intimate artistic experiences that make you feel fully alive.

Our Purpose is to make our community come alive.

A world where vibrant communities are shaped by stories that inspire connection and vitality in us all. Each year, over a quarter of a million people experience the best in professional theatre at its three venues: the Stanley BFL CANADA Stage, Granville Island Stage, and Olympic Village Stage at the BMO Theatre Centre, as well as on tour throughout the province. Its popular productions range from musicals and contemporary comedies to new works and classics. The Arts Club also expands its audiences outside Vancouver through a three-show tour season presented at venues around British Columbia.
