Browns Social House

Browns Socialhouse® is a Vancouver-based franchise within the Browns Restaurant Group family, with over 80 locations across Canada.

We serve flavourful food that's always fresh and fun!

Our stylish yet relaxed environments are the perfect balance between "neighbourhood pub" and "upscale casual dining." Our guests experience a premium casual environment that makes them feel at home – and that's what the term Socialhouse is all about. It's that simple.
